HOMI LIGHTING

A Manufacturing Expert
in LEDs

2017 v1

Homi lighting

“If you do not learn to think when you are young, you may never learn.” — Thomas Addison

1 About Us Company Profile

Shenzhen Homi Lighting Co., Ltd is a professional and leading manufacturer in Shenzhen focused on LED Lighting for 10 years. Homi has about 400 staffs, covers 15000 square meters , and one molding workshop with 2000 square meters. Equipped with 11 production lines, 2 automatic package machines, 2 sets automatic aging machines, 5 pcs plastic injection machines, 1 standard dark room for IES testing, 5 set of high-speed SMT machines, 3 overflow machines and other machines for production and testing, which enable the month capacity of led panel light reach 1,000,000pcs, and floodlight 300,000pcs. The factory base is only 30 minutes by car from Bao’An International Airport.

Homi owns powerful engineering department, including 30 people R&D engineers, skilled QC team and well trained testing staffs. The design takes into considerations of thermal, mechanical and optical areas, reflecting in the new patented products launched each season. The well designed products of Homi so far have been exported to more than 80 countries, in which around 50% to Europe, 20% to South America, 15% to Southeast Asia, 5% to North America and 10% to the rest of the world, along with their reliable performance and highly praise by customers.

We Homi, sincerely invite you to be our distributors, wholesalers. We Homi, look forward to joining hands with all partners to witness the bright future of LED Lighting.

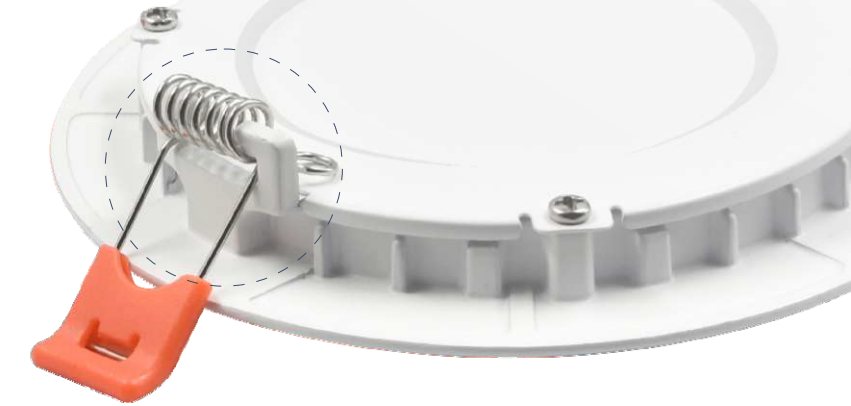

2 CERTIFICATES

Homi's products passed TUV/CE/RoHS/UL/DLC/ETL/Energy Star. Factory passed ISO9001:2008, ISO14001, BSCI of Germany (DBID: 364384 and Audit ID:70314), TISI of Thailand, NCC of Argentina. Certificated by ISO system which focus on product safety and reliability, Homi strive to be manufacturer standing for high quality products.

3.1 Aluminum Recessed Mini LED Panel

Patented

HERCULES Alu Series

To Be Better And Different

- ★ Unique Design, Light-Proof
- ★ Driver With Aishi Capacitor
- ★ Anti-Pull Driver Design

Patent No.: 201730070530.8

3.2 Round & Square Super Slim Mini Panel

patented

13mm Thickness

< 2x

16mm

CLIP-ON

Alu & Thermal Plastic Series

A NEW INNOVATION
MAKE INSTALLATION SO EASY
SAVE YOU A LOT

Patent No.: 201710182904.4

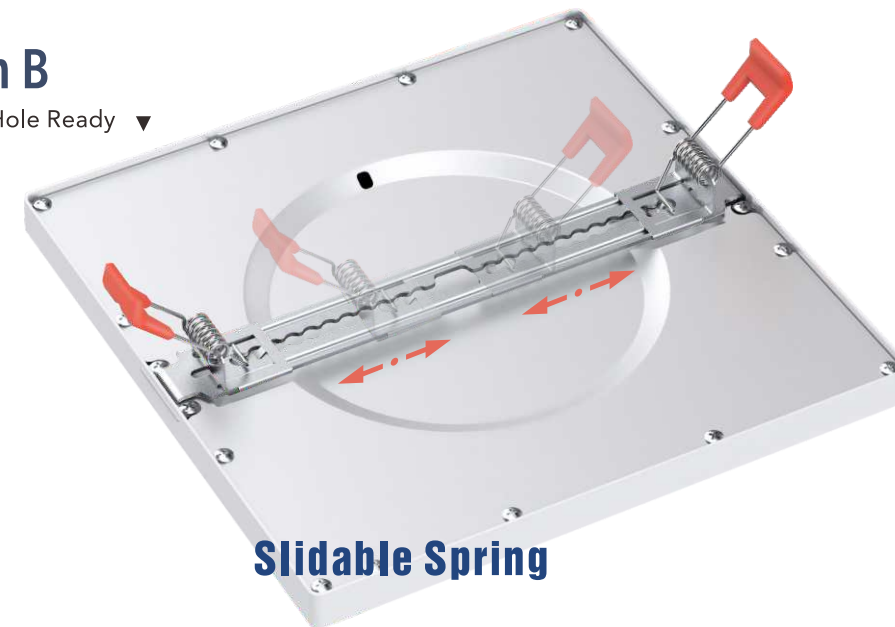

Condition A If No Mounting Hole Ready ▼

↑ PUSH to FIX ↓ DRAG to DETACH

Condition B

When Mounting Hole Ready ▼

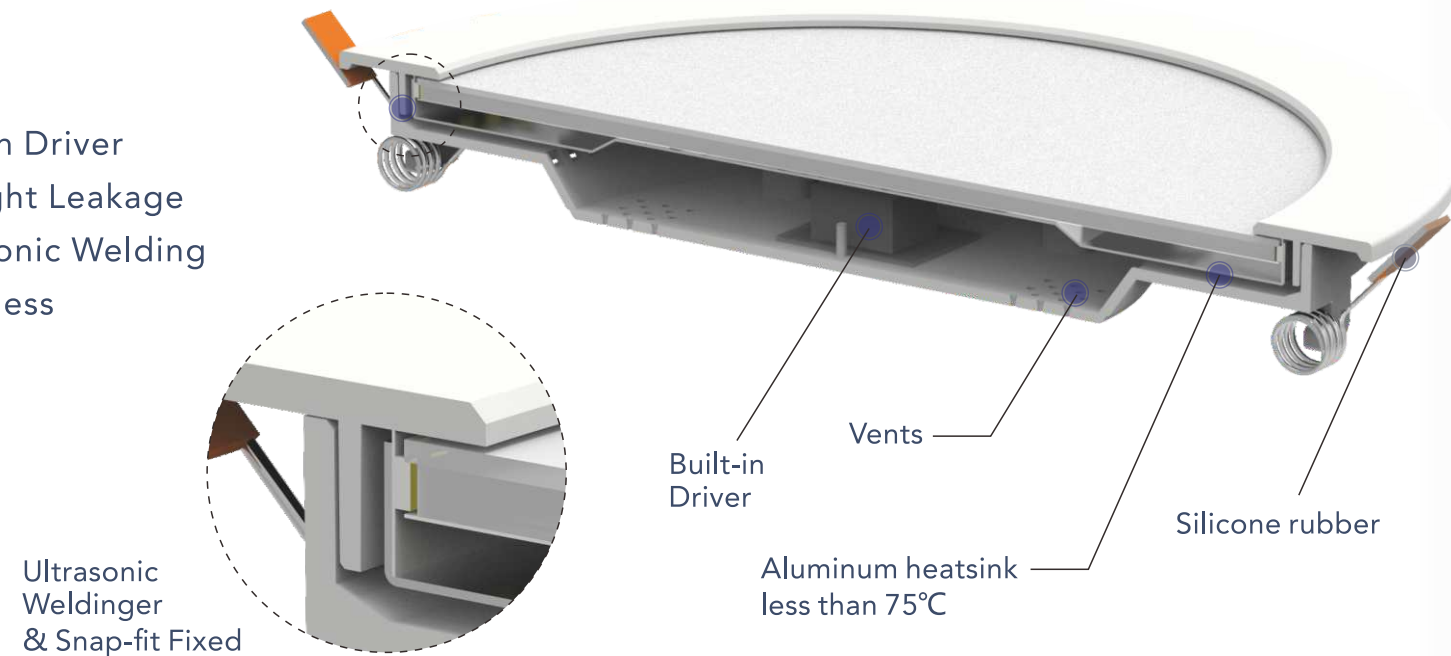

So Easy

- ★ Push to Fix, Drag to Detach
- ★ Movable Spring, Can Fit All Cut-Size
- ★ Round Hole For Square Panel

3.3 Thermal Plastic Round&Square Mini Panel Light

- ★ Built-in Driver
- ★ No Light Leakage
- ★ Ultrasonic Welding
- ★ Screwless

This LED panel was designed without screws, with built-in driver and snap-fit fixing, which impresses you with seamless and sophisticated appearance. Additionally, it's easy to install and disassemble.

3.4 Private Model Floodlight DC11 / DC12

Patented

- ★ Super Slim
- ★ Triple Protection IP66
- ★ Embossed Logo

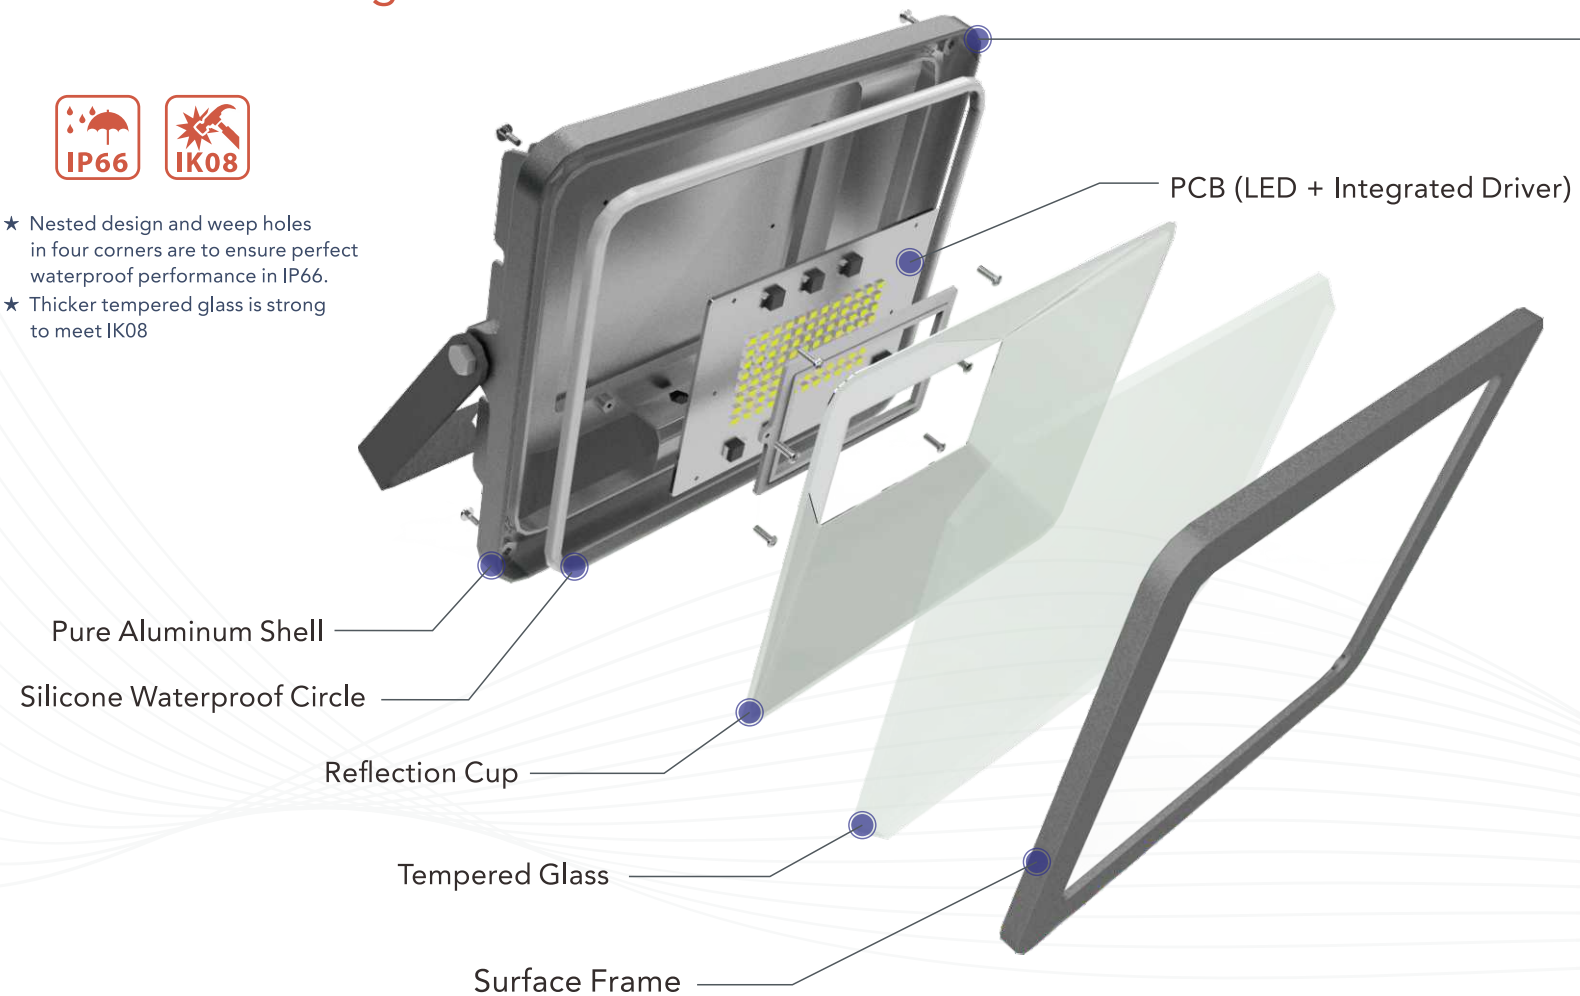

Patent No.: 201720237197.X

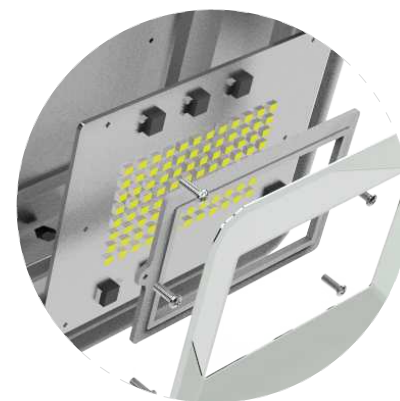

3.5 Private Model Floodlight DC03

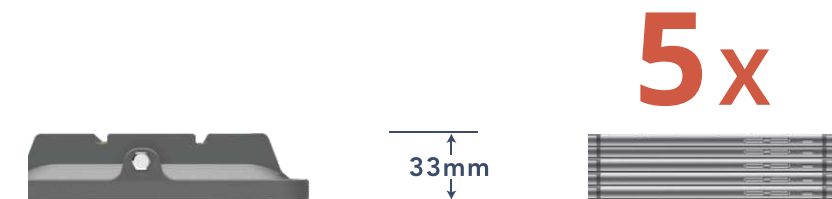

- ★ Nested design and weep holes in four corners are to ensure perfect waterproof performance in IP66.
- ★ Thicker tempered glass is strong to meet IK08

Pure Aluminum Shell

PCB (LED + Integrated Driver)

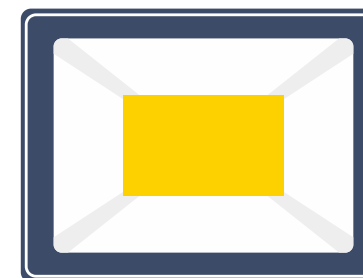

Main features

- ★ Ultra-thin design floodlight with integrated driver is slim and light-weight.
- ★ Streamline design is to guarantee powerful heat dissipation.
- ★ The perfect design makes appearance more elegant and specail than others.

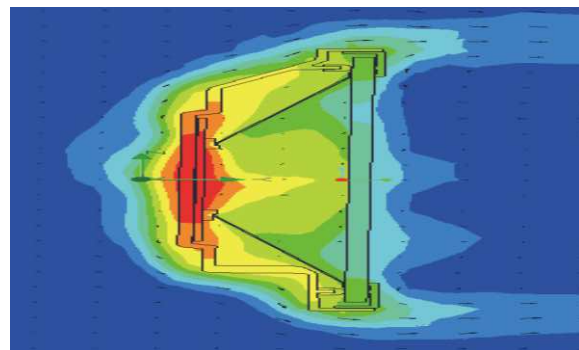

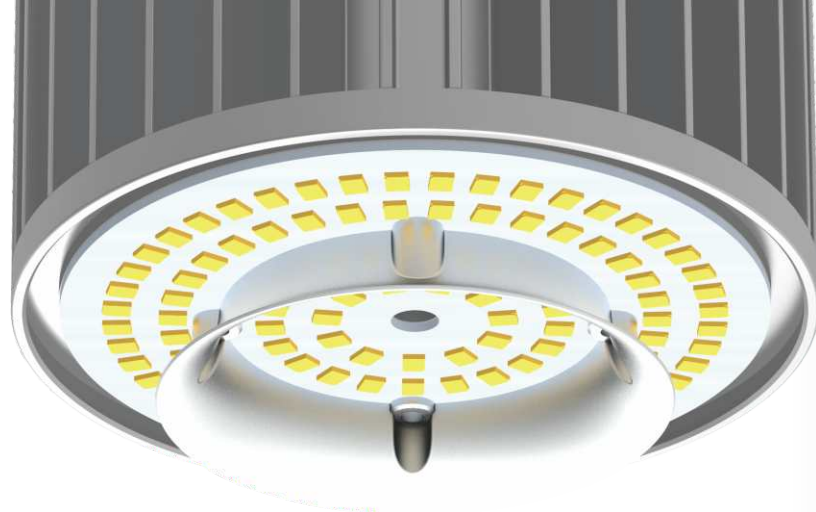

Public Model

Private Model

Enlarged light-emitting area guarantee better heat dissipation and visual effects.

3.6 LED Aluminum High Power T-Bulb Light

High Power Lamp

Available in 20W / 30W / 40W /
60W / 80W / 100W
High energy-efficient,
80/100 lm/W optional
E27/E40 lamp base

Pure Aluminum Cooper

- ★ Pure Aluminum cooling body and PC cover
- ★ Sunflower and ventilation hole designed to improve heat dissipation
- ★ Anti-glare design
- ★ Economic price
